MEETINGS IN 4 TWPS.

SUNDAY SCHOOL ASS'N PUSHES WORK OF ORGANIZATION

OFFICERS ARE ELECTED

Interesting Programs at Pickering, Parnell, Clearmont and Ravenwood Yesterday Afternoon

Sunday school conventions were held in four townships yesterday afternoon, all of them being attended by officers of the county association. Meetings were held in Union, Independence, Atchison and Jackson townships.

In Union township the convention was held at Pickering, conducted by Prof. Bert Cooper, R. C. Seal, and Mrs. I. E. Tulloch. The following officers were elected: President, O. G. Null; vice president, Roland Wray; secretary, W. E. Johnson; treasurer, James Jones; elementary supt., Miss Mary Wolfers; secondary supt., Mrs. C. R. Harmon; adult and home supt., Rev. Alsup; administration supt., C. R. Harmon.

The Atchison township convention at Clearmont was attended by Mr. and Mrs. C R. Harmon and Mrs. R. M. Barry, and the following officers were elected. Rev. Hull, president; John Clary, vice president; Miss Ollie Carpenter, secretary; Mrs. Flora Newlon, treasurer; Miss Ora LeGrand, elementary supt.; F. A. Linebaugh, secondary supt.; R. R. Broyles, adult and home supt.; Rev. W. H. Holland, administration supt.

The Independence township convention was held at Parnell, attended by Miss Eva M. Davis, Mr. and Mrs. E. M. Claypool, Prof. Lewis and I. E. Tebow. An enthusiastic group of Sunday school workers was present, Union Sunday school attending in a body. A resolution in honor of the president of the township association, Eugene Bird, who was called to serve his country some time ago, was offered by James LaFavor and approved by acclamation, pledging the support and loyalty of the association in any patriotic service that he might need their help. The following officers were elected for the ensuing year: President, Miles Spargur; vice president, James LaFavor; secretary and treasurer, Miss Zoa Dinsmore; elementary supt., Miss Linnie Butts; secondary supt., E. C. Cross; adult and home supt., Burt Grimmet; administration supt., Joe Bird.

An excellent convention was held at Ravenwood, G. B. Roseberry, Miss Julia Denny and Prof. H. A. Miller attending. The following officers were elected: President, L. L. King; vice president, Hubert Null; secretary, Albert Hullen; treasurer, Fay Casteel; elementary supt., Mrs. Roy Teaney; secondary supt., Miss Blanche Fryar; adult and home supt., Miss Nellie Sims; administration supt., Rev. Jenkins.

J. ARTHUR WRAY CITY CLERK

Emery Airy, Mayor's Appointee, Forced to Resign Because of Weakened Eyesight

J. Arthur Wray is performing the duties of city clerk until the next meeting of the city council in place of Emory Airy, recently appointed by Mayor W. O. Garrett. Mr. Airy found that on account of his eyes the work on the books proved too much of a strain and on the advise of his physician resigned the position. Mayor Garrett has not stated whether he will appoint Mr. Wray permanently or will name a new city clerk for confirmation by the council.

Mrs. Anna Bailey of St. Joseph arrived in Maryville Saturday night, called here by the illness of her sister, Mrs. J. W. McClain on West Seventh street.

DEATH OF MRS. H. CHILDRESS

Residents of Nodaway County 38 Years Mr. and Mrs. Childress Recently Celebrated 56th Wedding Day

Mrs. Virginia Elvira Childress, 82 years of age, wife of Henry P. Childress, died about 11 o'clock Sunday morning at the home of her daughter, Mrs. Cora Trullinger, 308 South Fillmore street. Mrs. Childress had been in failing health for five years and for the last few weeks had been sericusly ill. The funeral services will be held tomorrow afternoon at 2:30 o'clock at the Presbyterian church, the pastor, Rev. S. A. Coile, officiating. Burial will be in Oak Hill cemetery. Six grandsons, Claude and Glen Tabler, Lester and Marion Childress and Frank and Dorsie Childress, will act as pallbearers.

Besides her husband, Mrs. Childress is survived by two daughters, Mrs. Trullinger and Mrs. Charles Tabler, two sons, Cabell and Charles Childress, two brothers, George Tinder of Minooka, Ill., and Quintus Tinder of Charlottesburg, Va., one sister, Mrs. W. H. Reynolds of Fredericksburg, Va., nineteen grandchildren and three great-grandchildren. The funeral services tomorrow will be attended by all of the grandchildren excepting two, Miss Lila Tabler of Abilene, Kans., and Roland Tabler of Little Rock, Ark.

Mr. and Mrs. Childress had been residents of Nodaway county for 38 years, living in the Harmony neighborhood until about fifteen years ago, when they moved to Maryville. On March 6, this year, they quietly celebrated their fifty-sixth wedding anniversary.

WILL STUDY POTATO USES

Demonstration Classes to Learn This Week How They May Be Used as Successful Substitutes

The special ways in which potatoes may be used as a substitute for wheat flour is to be the subject of demonstrations this week at the government training school for housewives.

An urgent appeal has been sent out by the food administration asking that all potatoes be used in every way possible both in order to conserve the wheat and that the present large supply of potatoes, which must be used before June 1, be not wasted. It is estimated that there are one hundred million bushels of the fall crop on hand which must be used before the new crop is ready.

The demonstrations given last week were on fat substitutes. Miss Greta Kemp gave the Tuesday afternoon instruction. Mrs. E. T. Dale took the Wednesday class and Miss Wave Hulet had charge of the Thursday demonstration. Mrs. E. O. Boone instructed the class of colored women Monday. Each instructor used French fried potatoes and croquettes for the demonstration.

The Maryville electric Light company has given an electric range and furnishes the current free for the demonstrations, which will continue for the next two months.

PLAN FOR CHURCH JUBILEE

Committee Appointed for Celebration to be Held December 13

A committee composed of Dr. S. A. Coile, pastor, Roy J. Curfman, John Richey, Miss Jessie Parcher and Miss Kate Schenck, was appointed yesterday from the First Presbyterian church congregation to formulate plans for the jubilee celebration of the church to be held December 13.

This date is the fiftieth anniversary of the organization of the church in Maryville and the event will be made one of great interest and importance.

Mrs. Wade Smith of McCook, Nebr., who is visiting her mother, Mrs. Anna Hagins, and other relatives, went to Albany today to visit relatives a few days.

HEAR CLASS SERMON

BACCALAUREATE ADDRESS YESTERDAY FOR HIGH SCHOOL CLASS

CROWD FILLED CHURCH

Balance of the Week Is Filled With Activities for the Pupils of the High and Grade Schools

A crowd that filled every available seat in the First Christian church last night heard the baccalaureate sermon by Rev. C. Emerson Miller to thirty-one members of the high school graduating class. Many were turned away unable to get seats. Services at other churches were dismissed for the union meeting in honor of the graduates, the ministers from the five churches taking part.

Rev. Miller had for his subject, "The Prime Factors In Life Success," and in which he pointed out the need for men and women who think, who are sincere and whose ideals and ambitions are lofty. The speaker also pointed out the need for clean and right-thinking as the real developer and building force for an upright Christian character.

Members of the graduating class occupied seats reserved for them and wore gray gowns and caps. Members of the coming senior class acted as ushers.

The remainder of the school week is full of activities for both the graduating class and classes in the ward schools, the latter giving programs at the various buildings tomorrow afternoon.

On Thursday morning at 10 o'clock the May Day program will be held at the Washington school, directed by Miss Nell Hudson.

Tuesday afternoon the seniors will give an assembly program in the auditorium.

Thursday evening the graduating class will give their class exercises in the high school auditorium.

On Friday evening graduation exercises will be held.

On next Monday night there will be graduation exercises at the Lincoln school.

An admission fee of fifteen cents to school children and twenty-five cents to adults will be charged at the class day exercises on Thursday evening. The proceeds will be used in defraying a part of the commencement expenses.

A NIGHT SPEEDER IS FINED

Everett Bagley Pays the Penalty With an $8.10 Fine—Mayor Orders Police to "Get 'em All"

It cost Everett Bagley, a young man possessed of a desire to see how fast he could speed his automobile over the city's streets last night, just $8.10 to gratify his whim. Young Bagley was seen by Night Officer Ed Wallace burning up the pavement, and started out in pursuit. Bagley evaded the officer and finally started for home, five miles in the country. Officer Wallace started after him and arrested him and brought him back to town. Mayor W. O. Garrett was called from his home and both the fine and a lecture were assessed.

"Speeding must stop over the city streets," said Mayor Garrett, "and no matter who the offender is nor what time of the night it is done, the police have instructions to get them." In addition to speeding, young Bagley helped to liven things up by permitting his cut-out to be open.

HURT IN AUTO WRECK

EWELL RAMSEY SERIOUSLY INJURED WHEN CAR TURNS OVER

LOST CONTROL OF CAR

Brother, Harold Ramsey, Who Was Driving, Also Suffered Painful Hurts—Taken to St. Francis

Ewell Ramsey, a well known young man living north of Maryville, is at St. Francis hospital in a critical condition as the result of injuries sustained late yesterday afternoon in an automobile accident. Young Ramsey with his older brother, Harold, were on their way to Maryville to attend the Epworth League meeting and when about four miles north of Union schoolhouse on the Pickering road, Harold, who was driving the car, lost control and the machine went headlong into the ditch, turning over and throwing the boys underneath. Residents nearby who saw the accident, hurried to their assistance and found both pinned underneath the car. Ewell was found to be injured about the head and face and was unconscious, while Harold appeared to have suffered only minor hurts.

They were both taken to St. Francis hospital and surgical and medical aid summoned. At a late hour this afternoon physicians had almost despaired of saving the boy's life. Harold was able to leave the hospital this morning, his injuries having consisted only of painful bruises.

Ewell Ramsey is a graduate of last year's high school class and has been attending the Normal school. He is about nineteen years old and is a son of Mr. and Mrs. W. F. Ramsey.

TO RECRUIT MARINES HERE

Orear-Henry Drug Co. Volunteers as Agents for the New American Merchant Marine

The Orear-Henry drug company of Maryville is among the 240 Missouri druggists who have volunteered for special war duty as recruiting agents for the new American merchant marine, according to a statement issued today at the headquarters of the United States shipping board recruiting service.

These druggists represent the cities and larger towns of the entire state, from Caruthersville to Rock Port.

Each will conduct an enrolling station in his store where American citizens, 21 to 30, inexperienced in seagoing, may put their names to applications for training as sailors, firemen, coal passers, cooks and messmen on ships of a training squadron maintained by the shipping board for preparing crews to serve on the new cargo fleets of the American merchant marine.

Miss Dale Skinner of the Mutual telephone office, spent yesterday in Skidmore, the guest of Miss Minnie Hitchcock.

A BARNARD BOY IS KILLED

Wm. Van Fossen, Enlisted With Montana Troops, Pays Supreme Penalty in Fight Against Huns

William Van Fossen, a former Barnard boy, was killed in action in France, Saturday. The young man enlisted at the beginning of the war with a company from Conrad, Mont.

He is the son of Mr. and Mrs. A. M. Van Fossen, who left Barnard a short time ago and moved to a farm near Kansas City. William was born and grew to manhood at Barnard and left there several years ago, going to Montana, where he had been employed on a ranch until he enlisted.

No word has been received by the parents other than that their son was killed in action.

GERMANS PLAN A GIANT DRIVE

INDICATIONS POINT TO SIMULTANEOUS SMASHES ON BOTH WEST AND ITALY FRONTS

WILL HOLD AMERICAN TROOPS FOR RESERVES

Allies Confident of Holding Huns Without Aid of Pershing's Men Are Prepared to Drive Blow for Blow — Artillery Is Gettiig in Readiness

London, May 13.—All news from the western front indicated today that we are on the eve of great events, said the London Evening News today. "Our scouts announce enemy preparations are nearing completion and are on a greater scale than ever before attempted."

London, May 13.—The Germans are making stronger artillery preparations for a renewal of the drive on the Picardy and Flanders fronts than they have in any preceding grand offensive on the various battle fronts. This circumstance, coupled with the continued lull in the big scale of infantry operations shows the Germans are coming to fear more and more the strength of General Foch's army and the strength of the Allied positions that must be stormed before the Germans can advance their lines any further toward Amiens and the channel coast.

At the present time the Allies hold the line intact and are prepared to drive blow for blow, no matter how hard the Teutons may strike. The report is again current that the Germans are waiting for the Austro-Hungarian armies to strike in Italy before recommencing the drive in France. In this connection an Amsterdam dispatch today said that the kaiser and the Austrian emperor are conferring upon the question of a simultaneous offensive in the western and southwestern theatres of war.

Ottawa, May 13.—So confident is the Entente of its ability to withstand any drive the Germans can launch that it has been decided not to use the American army until it becomes a complete and powerful force, according to a cable summary of operations on the western front received here tonight from the war committee of the British cabinet.

"The position now is," said the summary, "that the Germans, determined to concentrate every available unit on one enormous offensive, are draining their country dry to force a decision before it is too late, while the Entente are so confident that, if given the choice of a small immediate American army for defense or waiting until they are reinforced by a complete, powerful, self-supporting American army, they have chosen the latter."

Washington, May 13.—News of the British statement that the Entente is so confident of its ability to hold theh Germans that the American army is not to be used until it becomes a complete and self-supporting force was received here tonight with frank delight, not only because of the supreme confidence indicated by such a decision, but on account of the keen desire of American military men to take the field against the enemy as a distinctly American force.

They're Deadly Foes to Gas Waste—the Chalmers Hot Spot and Ram's-Horn Manifold

These are days when the sagacious person is cutting out all forms of waste in his shop and in his home.

No doubt a condition that has sent thousands to see the new Chalmers with its two great devices that Hooverize gas.

One of them is the now noted Hot Spot, which cracks upsand heats up the raw gas into a cooked condition for wonderful power results.

The other is the Ram's-Horn Manifold, which of the two is probably an even greater device.

For it takes the gas vapor from the Hot Spot and carries it 14 inches equi-distant to each cylinder without sharp turns, angles or pockets where the vapor might lodge.

So that at the moment of sparking, the gas is (like the charge in a large projectile) ready for 100% results.

There's so little that comes out of the exhaust in the form of unburned gas as to be negligible.

All the power goes into the crank-shaft and out of the rear wheels.

And such a soft, luring power that it casts a spell of intense satisfaction the moment your foot touches the accelerator.

Facts About the American Red Cross

Did you know that—

It has established and is operating twenty dispensaries in the American Army Zone in France to care for the needy families there and to improve health conditions in that section ready for our troops?

It is housing and feeding thousands of children in the War Zone to keep them away from the danger of gas and shell fire?

It has divided the entire War Zone into six main districts, with Red Cross workers at each point to distribute cooking utensils, agricultural implements, beds, bedding, food and clothing?

It provides builders and ready-to-put-up buildings to house the homeless in the devastated regions, often before the walls of the destroyed homes have cooled?

It is bringing over two hundred tons of supplies every day into Paris, from which one hundred and twenty-five tons are reshipped to branch warehouses over France?

It is providing an artificial limb factory outside of Paris, in addition to special plants for the making of splints?

What will *you* give to keep this Hand of Mercy at its work?

Every cent of every dollar received for the Red Cross War Fund goes for War Relief.

The American Red Cross is the largest and most efficient organization for the relief of suffering that the World has ever seen.

It is made up almost entirely of volunteer workers, the higher executives being without exception men accustomed to large affairs, who are in almost all cases giving their services without pay.

It is supported entirely by its membership fees and by voluntary contributions.

It is today bringing relief to suffering humanity, both military and civil, in every War torn allied country.

It plans tomorrow to help in the work of restoration throughout the world.

It feeds and clothes entire populations in times of great calamity.

It is there to help your soldier boy in his time of need.

With its thousands of workers, its tremendous stores and smooth running transportation facilities, it is serving as America's advance guard—and thus helping to win the war.

Congress authorizes it.

President Wilson heads it.

The War Department audits its accounts.

Your Army, your Navy and your Allies enthusiastically endorse it.

Twenty-two million Americans have joined it.

HAVE YOU ANY RYE IN YOUR BINS?

The wheat supply in the United States is about exhausted, and as rye comes nearest to taking its place, all supplies of rye should be marketed. I have arranged with the Maryville Feed and Milling Co., to buy a car of rye at Maryville this week, and if you have any rye, see them at once. I have also arranged with Leet and Wamsley to ship car of rye from Arkoe, and if you have any rye in hauling distance of that point, see Leet & Wamsley at once.

The Maryville Feed and Milling Co., will also buy all small lots of wheat left in the county, and ship them in the same car with the rye.

Ugly, Unsightly Pimples Are Signals of Bad Blood

Give Heed to the Warning.

Pimples on the face and other parts of the body are warnings from Nature that your blood is sluggish and impoverished. Sometimes they foretell eczema, boils, blisters, scaly eruptions and other skin disorders that burn like flames of fire.

They mean that your blood needs S. S. S. to purify it and cleanse it of these impure accumulations that can cause unlimited trouble. This remedy is the greatest vegetable blood purifier known, and contains no minerals or chemicals to injure the most delicate skin.

Go to your drugstore, and get a bottle of S. S. S. today, and get rid of those unsightly and disfiguring pimples, and other skin irritations. And it will cleanse your blood thoroughly. If you wish special medical advice, you can obtain it without charge by writing to Medical Director, 29 Swift Laboratory, Atlanta, Georgia.

IN THE SPRING

will be the great test of a life and death struggle on the Western front. In the everyday walks of life, it is the spring time that brings ill health. One of the chief reasons why the run-down man finds himself in a bad state of health in March or April, is because he has spent nearly all his hours for the past four or five months penned up within the walls of house, factory or office. It is the reason for our diminished resistance—that is, lack of out-door life, coupled with perhaps over-eating, lack of good exercise, insufficient sleep, and constipation. In other words, we keep feeding the furnace with food but do not take out the "clinkers," and our fire does not burn brightly. Always keep the liver active.

There is nothing better for health than taking an occasional mild laxative, perhaps once a week; such a one as you can get at any drug store, made up of May-apple, jalap, aloes, (sugar-coated, tiny, easily taken), which has stood the test of fifty years of approval—namely, Dr. Pierce's Pleasant Pellets. But for the "Spring Fever," the general run-down condition, the lack of ambition, the "blues," one should take a course of treatment every spring; such a standard tonic as Dr. Pierce's Golden Medical Discovery, now to be had in tablet form in sixty-cent vials. Watch the people go plodding along the street. There's no spring, no vitality. A vitalizing tonic such as this vegetable extract of Dr. Pierce's gives you the power to force yourself into action. The brain responds to the new blood in circulation, and thus you're ready to make a fight against stagnation which holds you in bondage. Try it now! Don't wait! To-day is the day to begin. Gain a little "pep," and laugh and live. Vim and vitality are the natural out-pouring of a healthy body. It does not spring up in a night. Try this spring tonic, and you gain the courage that comes with good health.

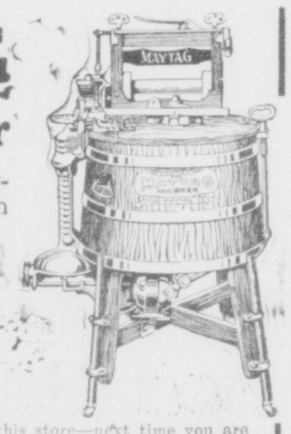
The Power of The MAYTAG Electric Washer

Is the ruling force in American Homes that banishes wash day drudgery.

ALWAYS AT YOUR COMMAND



Just a phone message. Or a call at this store—next time you are near—will do much to relieve you of the burden of wash day.

Why not today? Take a moment's time—free your home from the slavery of the old fashioned back-breaking wash tub. It will save work. You can do a bigger washing in less time. You will have a clean, snow-white lot of clothes. They will not be torn. And best of all, wash day will be over before noon—think what that means. Isn't it worth a trial.

Pure Bred License No. 685

IMP. KROISEUR NO. 82134 (91857)
From Photograph

KROISEUR is perhaps the best bred son of the $40,000.00 champion CARNOT. He not only has the most fashionable breeding, but is a real draft horse himself, weighing over 2200, with wonderful style and action. A beautiful black, having a fine coat of hair. That he is destined to be a great sire there is now no question.

He is now in regular service at our barn in South Maryville, Mo. We have other licensed horses and Shetland ponies also in service.

As so many inquiries are still being received for dates to PHENIX, I would say, he is in service of the State University Farm, under contract for a short time, hence is only available THERE at present; but will be "at home" later.

Thanking you all for your appreciation of him, I am,

Very respectfully yours,

Both Phones.

Maryville, Mo., May 2, 1918.

As a conservation measure, and at the suggestion of the National Council of Defense and the United States Food Administration, we the undersigned Grocers and Meat Dealers of the City of Maryville, Missouri, do enter into the following agreement between F. P. Robinson, Nodaway County Food Administrator and ourselves.

On and after Wednesday, May 15, 1918, we will make but one delivery a day, leaving our places of business at 8 a. m. each day, no orders to be delivered except those received by us on the previous day and listed for the next morning delivery. Except that on Saturdays we will make an additional delivery, leaving our places of business at 4 p. m. and for which no orders will be taken after 3 p. m. of said day.

This agreement to remain in effect till the close of the war, unless sooner recinded or amended by unanimous consent of all of us and with the approval of the Nodaway County Food Administrator.
